

Nature Trust - FEE Malta carries out Wildlife Rescue Services in the Maltese Islands through its trained and permit holders volunteers. This includes rescues of injured turtles, dolphins, whales, hedgehogs, bats, chameleons, snakes, etc.

Injured wildlife are rehabilitated back to health with the help of vets and then released back into the wild.

Adoption funds go into rehab and medical care of the animals and for the Wildlife Rehabilitation Centre project in Xrobb I-Ghagin.

Wildlife Rescue Emergency Number:
9999 9505

Thank you for supporting this work.
